Re: Petition of Eddie Richardson for Approval of the Sale of the Scenic Lake
Wastewater Treatment Facility and Sewer System to Paul Steinburg.
Docket No. 2006-217-S

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the above docketed matter and has no objection to the application to transfer ownership of the Scenic Lake wastewater facility and system to Mr. Paul Steinburg.

In the opinion of the ORS, Mr. Richardson and Mr. Steinburg have completed all of the necessary documentation to facilitate the transfer of stock in the Scenic Lake Park wastewater treatment plant. The parties have provided the ORS with a copy of the system map, a contract between the parties, and a performance bond. Further, ORS completed a satisfactory site inspection of the facilities on September 18, 2006.

Finally, Mr. Steinburg has filed a business plan with the South Carolina Department of Health and Environmental Control and Mr. Mike Montebello of that Agency has informed ORS that DHEC is satisfied with the plan.

Should you have any questions regarding this matter, please contact me at your convenience.

Sincerely,

Jeffrey M. Nelson
